Dear Mr Brauner,

I received your card and was very glad to get your report. Thanks for your helpfull report, we try to have good quality and of course there is little we can do about coverage and frequency.

We asked for 1410 since this is near 1400 which we hope to be able to secure full time operation on.

Thanks again for your card, hope your up on the nite we have a frequency check but can't say when that will be.

Best wishes,

Sincerely yours,
