Dear Mr. Brauner,

The writer regrets the delay in answering yours of Dec, 3rd, but, now takes great pleasure in thanking you fro the report on reception.

The sponsor of the program you heard, The J.P. Bell Co. were most pleased, and I believe it more fully convicced them that Radio ~~XXX~~ is the best means of advertising.

We are proud to say that we believe we have one of the best 100 watt, stations in the south, inasmuch as we have recieved reports form 28 states, including California, and also one report from the Hawaiian Islands. We use approximateley 100% modulation, keeping the gain level as high as possible.

We sincerely appreciate your remark as regards a credit to broadcasting. Our sister station in Danville, WBTM have been sent a copy of the letter, and their Mr. Clark ~~was~~ most pleased.

Trusting we may hear from you again, and with best wishes for a Happy and Prosperous New Year, we remain,

Sincerely yours,

E. W. Adams Announcer.
