Mr. J. W. Brauner,
17 East Spring Street,
Williamsville, New York.

My dear Mr. Brauner:

This will serve to verify your report of reception Monday, September 9, 1935. Our regular sign off time is 9:00 P.M., but we returned to the air late Sunday, September 8th, for the purpose of broadcasting bulletins pertaining to the shooting of Senator Huey P. Long.

It gratifies us to know that you picked up our Station at that time and were particularly interested in the fact that this was your first knowledge of that news.

This station is new, having started operation on September 4th, and news service is one of our primary aims in offering complete service to the Iron Range.

The time and date of our monthly frequency check has not as yet been assigned by the Federal Communications Commission.

May we hear from you at such time as you may again pick us up.

Yours very truly,

THE IRON RANGE STATION
