Williamsville 21, New York

Dear Mr. Brauner:

Thank you very much for such an interesting reception report of WPIK. Your's is the first one from Williamsville, though we have had many reports from New York and New Jersey. We reach out to Pennsylvania quite well, and even have a few listeners down in Florida.

This is to verify your report as correct with our log of January 20th, 1946. As you learned, we are a daytime station only at present, but we hope to go on full time before very long. We went on the air December 10th, 1945.

Thank you for your good wishes of success to WPIK, and we certainly hope you'll be able to get us often. For your convenience, I am enclosing a copy of our sunrise to sunset schedule, so that you may look for us at the right time!

Thanks once more for your interest.

Very truly yours,

Dorothy F. Ballou
Secretary
