Dear Mr. Brauner:

Thank you for your letter of several months ago, and please accept our apologies for not answering it promptly. Some way your letter was filed without having been answered, and I just found it today.

We are pleased to verify your reception of WSVS at 650 kilocycles, and since you were numbered among our first listeners we enclose one of our verification cards with this letter.

Thank you for your kind remarks about our station, and your wishes for our success.

If you are ever down this way, please drop by and see us here at WSVS.

Sincerely yours,

W. L. Willis, Jr.
