VERIFICATION OF RECEPTION

Mr. J.W. Brauner, THANK YOU for  
your report of reception of this station. Your report  
checks with our program log for June 25, 1948  
from 3:17 AM to 3:23 AM EST.

WVEC operates regularly during daylight hours on  
1050 kilocycles with 250 watts power output. The ant-  
enna is a series-fed, vertical steel radiator 220 feet  
high. The transmitter is a Raytheon type RA-250.

James E. Swafford

Our very first night on the air, OM.  
Many thanks for nice report.  
JES.
