Mr. J. W. Brauner,
17 E. Spring Street,
Williamsville, N. Y.

Dear Mr. Brauner:

Thank you for your kind letter of the 29th. I laid it aside to answer personally when hundreds of DX letters began coming and I have just gotten to it. We are very sorry that you did not get an early notice of our December test. As arrangements for a cleared channel were made through the NNRC, I rather took it for granted that you would get notice through regular channels.

Enclosed is one of our Etko stamps verifying your good report of all three of our tests.

You will be interested to know that we had replies from all states in New England, New York, New Jersey, D. C., Maryland, Virginia, North and South Carolina, Mississippi, Penna., Ohio, Illinois Wisconsin, California, and the provinces of Quebec, Ontario and Alberta in Canada, and they're still coming in.

Thanks for mentioning the orchestra we used. They have broadcast regularly on our noon hour program, and for five pieces do quite well. Few DX'ers comment on programs and your letter gave them a lot of encouragement.

Always with best wishes, and assuring you of our complete co-operation re. your programs on January 23, we are,

Yours very truly,
