Williamsville, New York

Dear Mr. Brauner:

Thank you for your most interesting and valuable letter of October 20. It was quite a surprise to get an answer from a distance as great as this.

Your QSL checks with our log. I'm only sorry you were not able to hear our program. For your added information, we stay on the air each morning until 12:30. You may pass this on to your buddies if you wish.

We are planning a special DX program in the near future and if you are interested I'll let you know upon receipt of a card or letter.

Enclosed is a souvenir folder that will acquaint you with our staff.

Thank you again for your valuable letter.

Very truly yours,
