Williamsville, 21, N. Y.

Dear Mr. Brauner:

We were pleased to receive your report of reception of this station from such a distance. From your report, I am confident that this was the station you heard, as we were on the air the morning of January 17, from about 1:02 to 1:15 A.M. for our monthly station frequency check.

We were playing the transcribed music of Paul Baron and his orchestra, with a station identification after each number.

Yours truly,

S. W. McCready,
Chief Engineer
