Dear Mr. Brauner:

This is to acknowledge your reception of KXRN Renton, Washington, 1220 kc 250 watts. KXRN has both its transmitter and studios in Renton, Washington, which is just south of the city limits of Seattle.

I want to take this opportunity to thank you for your very nice letter. It was yours truly on the mike at the time you heard KXRN on the air December 12th 1950 at 1:03 in the morning. I'm not only chief engineer but announcer, too. In these small operations everyone must double in brass to make any money.

My wifes sister lives very close to Buffalo and we were visiting them back in 47 in the late spring. My home is in Asbury Park, New Jersey. You might have heard of the place at one time. Of course going back as far as Buffalo, New York to visit we went on to my hometown in New Jersey, to see my folks. Hope to come back to the east someday to stay.

Thanks again for your very kind letter and I'm sorry I couldn't get this letter off to you sooner.

Very truly yours,

Frank C. Cook

Ps Just recieved a letter from a Ken Macky of Dunedin, N.Z. He writes and tells me he heard our station the third Tuesday of this month. He is correct too. I missed my regular second Tuesday morning schedule of the month with Point Reyes, California.
