

ANTIGO BROADCASTING COMPANY

ANTIGO, WISCONSIN

STATION WATK

250 Watts, 900 Kilocycles

Date Nov. 15, 1948

Mr. J. W. Brauner

Williamsville 21, N.Y.

RE Freq. Test Bdcst.

Dear Sir:

Thank you very much for your reception report No. _____
of Nov. 12, 1948 which we received Nov. 15.

The program log which you supplied was: accurate and was very much appreciated. The last tune we played was a jive tune. Tommy Dorsey's "Trombonology". We signed off at 2:00 A.M. C.S.T. In regard to the time of future Frequency Tests, we broadcast the second Friday of every month from 1:30 to 2:00 A.M. C.S.T.

We are using a Gates No. 31-B DeLuxe console and a type 250-D Gates transmitter. Our antenna is of the vertical radiator windcharger type, 250 feet high.

We will appreciate any further reception reports that you may be able to send.

At your service,

H. W. Wardwell

Chief Engineer, WATK
