Mr. J. W. Brauner  
23 Howard Avenue,  
Williamsville 21,  
New York

Dear Mr. Brauner:

We wish to thank you for your report of our test signals heard in the early morning hours of March 20, 1947. Your report checks accurately with our log and we are happy to verify your reception of our station.

Transmissions during the test period, one to six in the morning, Local time, are carried on at irregular intervals, but we are always pleased with reports from distant listeners.

Sorry that we could not answer your communication sooner, but we received so many reports from the DX-ers that we had to delay answering some of them.

Cordially yours,

H. Charles Kaetel,  
Chief Engineer, WAUX
