STURGEON BAY, WISCONSIN

April 28, 1954

Mr. J. W. Brauner
23 Howard Avenue
Williamsville 21, N. Y.

Dear Mr. Brauner:

This will verify your reception of WDOR, testing in the early morning hours of April 23, 1954.

The Quonset hut terminal which you mentioned remembering in Sturgeon Bay, still stands. Although I believe that you would find Sturgeon Bay built up quite a bit more, if you visited it today. Also, I regret that you did not drive north on the peninsula. The countryside there is probably the most beautiful in the entire state. About a month from now, the county will be full of visitors here to see the cherry blossoms in full bloom. And of course, in the summer this becomes quite a metropolitan area, since we have many resorts in Door County.

I sincerely hope that when you visit Wisconsin again, you will come to Sturgeon Bay and Door County, and of course, stop in WDOR. Our studios and transmitter are in one building, near the outskirts of Sturgeon Bay, on the peninsula side of the bay.

Sincerely yours,

Edward Allen Jr.
