

Dear Friend:-

This will verify your reception of station WLBL, Stevens Point, Wis. on September 26, 1932. Your report of selections "They cut Down The Old Pine Tree" and "Avalon" at 4:05 and 4:10 A.M., E.S.T. respectively is correct with our station log.

WLBL is operated by the Department of Agriculture and Markets of the State of Wisconsin, operating on 900 Kcs.

Yours Truly,

Bud Wichmann

Radio Station WLBL,  
Stevens Point, Wis.

I am chief announcer and studio engineer here @-M, and it is my voice you hear on these test programs. Thank a lot for your very valued report - it is reports such as yours that help us in our work. Hope to hear from you again. I have held an amateur licence since 1920, present call W9FIA, also a commercial since 1928. as I am only 25 now, you can see I started in radio early. Hi. 735
