Merrill, Wisconsin
"The Voice of Northern Wisconsin"

October 17, 1949

Dear Mr. Brauner;

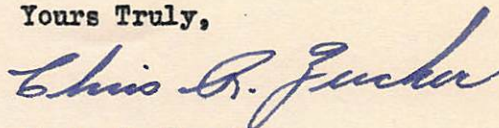

I would like to confirm your DX report of Sept. 8, 1949. We Conduct our frequency test on the second Thrus. of every month at 1:15 AM to 1:30 AM.

We like to hear from all DX'ers reporting reception of our frequency monitoring tests. Am Very happy to confirm your reports and have our station added to your list of other broadcast stations.

Due to a slight mix up of correspondence, I Guess I must of failed to confirm your report sooner. I regret this error.

Glad to hear you have been through our city of Merrill, population of which is approx. ten thousand. This is also an invitation for you to visit our station & engineering dept. if you should ever pass through here again.

Yours Truly,

Chris R. Zercher
Chief Engineer
