J. W. Brauner,

Thank-you for your report of reception on March 31  
and April 2.

Please accept my appologies for the delay in  
sending a verification as the past few months have been  
very busy ones. We began regular operation here on Dec 27  
and of course there were many things that had to be added  
as we have gone on besides of course debugging some.  
I do air work too so have let the paper work get behind somewhat.  
I'm sorry WPXY left the air and hope they make out ok over  
at Milton.

73,

Warren L. Cunningham

Chief Engineer
