Dear Mr. Brauner:

We certainly appreciated your report of reception of our program between 4:00 and 5:00 p.m. on December 13th.

This seems quite unusual for a station of this size, however, we have received many reports lately of reception in Wisconsin, Michigan, and various other states.

We are contemplating broadcasting several DX programs next year, and just as soon as arrangements are made for this, we will notify you of the date and time they will be broadcast.

Again thanking you for your letter, and trusting that we may have more reports from you, we are

Sincerely yours,
