Mr. J. W. Brauner
P. O. Box 22
Valier, Pa.

Dear Mr. Brauner:

Thank you so much for your nice letter of April 12, 1959. We appreciate hearing from you and, may this be your verification of our broadcast.

You referred to the old WTRX. There has been a change in ownership along with a change in call letters. This took place on March 1, 1959. Yes, we have added greatly to our transmitter.

The new WOMP operates on 1290 kc and 100.5 mc on FM. Our AM power output is 1,000 watts with FM carrying 9,000.

Tune us in again and, if you're ever in the area, would like to meet you. Sure you would be interested in seeing the new WOMP.

Sincerely,

WOMP-Radio
