New York,

Dear Mr. Brauner:

This letter verifies your reception of our program on February 28th, as your report checks 100% with our Program Log.

In spite of the QRN handicap, we are getting good reports, especially from the west coast.

My hobby of photography has been somewhat slowed down by the war. Don't have the gas to get up in the hills now, as it is an 'A' card between fence posts here in Wyoming. Can't beat our sun-sets for color shots.

Thanks for all the nice things you said about my program. Wishing you and your club a lot of luck in DXing in the future.

Sincerely,

Lizette Wolf
