23 Howard Ave.

Williamsville 21, New York

Dear Sir:

I'M sorry that I've waited so long to write to you concerning our frequency check.

You did pick up our signal tone on the morning of November 16, 1952, that's for station KWRL Riverton, Wyoming. Thank you for the nice letter and if you're ever in Wyoming drop by and see our station.

Sincerely,

Alce Berry
