Dear Mr. Karchevski:

Thank you for your letter of May 17th.

Your logging of KBEE follows our log, although due to the interference you did have, the name you heard is wrong. It should be Tony Koester. Tony Koester was considered "the voice of the old Sacramento solons."

We are enclosing some information about our station that you requested.

We will be happy to hear from you at any time.

Sincerely,

A handwritten signature in blue ink that reads "Jack Stevenson". The signature is fluid and cursive, with a large loop at the end.
