MR ROBERT KARCHEVSKI
577 CLARINADA AVE., #14
DALY CITY, CALIF 94015

ROBERT.....

THANK YOU FOR YOUR LETTER CONCERNING OUR SIGNAL IN DALY CITY.
FIRST OF ALL, I AM NOT THE ENGINEER...ONLY THE D.J. HOWEVER, I
WILL TRY TO ANSWER SOME OF YOUR QUESTIONS.
KUDU OPERATES AT 5KW WITH A DIRECTIONAL ANTENNA SYSTEM...ONE FOR
DAY AND ANOTHER PATTERN FOR NIGHT.....USING 3 TOWERS.
BE ASSURED THAT YOU DID, IN FACT, HEAR KUDU AT 11:02PM TO 11:22PM
PACIFIC STANDARD TIME ON 1590 KHZ ON JANUARY 30TH 1971.

AS FOR OUR HORIZONTAL RADIATION PATTERN, ITS MUCH TOO COMPLICATED
TO EXPLAIN.....AND SINCE OUR ENGINEER IS NOT AVAILABLE, YOU'LL
HAVE TO GO WITHOUT KNOWING IT..(REALLY, ITS A BIG SECRET!)

ALSO, YOU SHOULD KNOW THAT I AM NOT THE MANAGER OR PD OF KUDU,
BUT I WILL SIGN MY NAME ANYWAY.

Mike Taber
