800 Hz/s.

You have been listening to the super-power voice of Trans World Radio broadcasting from colorful Bonaire in the sparkling blue Caribbean.

Trans World Radio owns and operates a radio complex which includes seven short wave corner reflector and curtain antenna installations along with a 260 kw and a 50 kw short wave transmitter. A 500 kw medium wave transmitter feeds into a 760 foot medium wave tower.

Trans World Radio is an interdenominational, non-profit organization dedicated to broadcasting the Gospel of our Lord and Saviour Jesus Christ from Monte-Carlo and Bonaire. Trans World Radio is on the air daily from Monte-Carlo and Bonaire with broadcasts in 25 languages.

Ms. Jeann Olson
