500 Watts Power

690 on Your Dial

## TWIN CITIES RADIO

Telephone 544-1558 3701 Winnetka Ave. No. Minneapolis 27, Minnesota

April 10, 1962

Mr. R.A. Karchevski  
188 Marlborough St.  
Boston, 16, Mass.

Dear Sir:

This is to verify your report of your reception of our signal on March 24, 1962. KTCR is a 500-watt daytime 3-tower directional with our main lobe in an east, southeast direction. We are now on the air. Thank you for your report. We are interested in being heard so well and so far away.

Sincerely,

*Vern Potvin*
