"The Sound of Music and Information"

November 21, 1966

Mr. R. A. Karchevski
68 Preston Street
Wakefield, Massachusetts

Dear Mr. Karchevski:

This is to confirm your reception of WKXR
on September 16, 1966, from 5:30 to 6:13 p.m.
per your reception report Z-559/3.

WKXR went on the air June 4, 1966, with one
kilowatt of power, broadcasting daytime only.
The transmitter is a Bauer 707 using 4-400-A
tubes in both RF and AF final amplifiers. It
shunt-feeds a tower 154 feet high which sets in
a tidewater marsh.

The studio equipment is mostly of Gates
manufacture.

Thank you for your report.

Sincerely,

A handwritten signature in cursive script that reads "Robert E. Lindner".

Robert E. Lindner
Engineer
