Dear Robert,

Thank you for your reception report for KGRT on the morning of January 18, 1971. According to our logs, it is confirmed. From time to time we conduct tests to keep our transmitter in peak operating condition.

Thank you again for your accurate report.

Sincerely yours,

Robert Reymont
Chief Engineer

P.S. I am enclosing a coverage map for KGRT. I thought you might like to have it.
