Dear Sir:

Re: Your letter Nov. 15, 1963

This to varify your reception of our CKAD radio transmitter at 1490 kilocycles on 13th Nov. 1963.

On the morning of your reception maintenance operations were under way thus the full 1,000 watts output. Our usual pattern 1,000 watts, sun up sun down with 250 watts night time. CKAD in one of three stations owned and operated by the Evangeline Broadcasting Company. CFAB, Windsor at 1450, CKEN, Kentville 1350 and CKAD, Middleton 1490. Re: regarding your question of time Nova Scotia is in the Atlantic Time Zone.

If you wish more information feel free to write us at anytime.

Yours truly,

EVANGELINE BROADCASTING COMPANY,

for 
W. A. Schofield,
Chief Engineer.
