Mr. R.A. Karchevski,  
68 Preston Street, App. 5,  
WAKEFIELD, Mass. 01880.

Dear Sir:

We acknowledge receipt of your letter dated September 25 1964 telling us that you had received the signal of CFML Radio-Cornwall on September 25, at 1859 to 1919 Eastern Daylight Time.

After checking with our programme logs, we find that it was our station you listened to on that date.

As for "O Canada" (see 1917 on your letter) it is indeed a very popular selection for sign-offs in Canada, since it is our national anthem.

Hoping that this letter of verification of your reception will be satisfactory, I remain,

Very truly yours,

*Richard LaBrie*
