Dear Mr. Karchevski:

We would like to thank you for your recent filed reception report which we have checked and found to be correct.

We receive reports from all over the North American continent and wish to assure you that we appreciate each one we receive.

CKSL operates with a power of 5,000 Watts - 24-hours a day. Our transmitting equipment is by R.C.A. which feeds six towers - each 150 feet high.

We trust you will again listen to CKSL in the future and you enjoy listening to our programs.

Yours very truly,

Wm. E. Post
Chief Engineer
