This letter is to confirm your reception report of KFIR, 12:35am to 12:54am, on Monday, April 13, 1970. Our program log confirms your report. KFIR broadcasts with a Bauer FB 1000-J Transmitter with one thousand watts into a one-quarter wave antenna. We separate daytime hours on 1370 kHz with pre-sunrise authority of 500 watts from 6am to local sunrise.

I have enclosed for your files a coverage map.

Thank you for your report and I hope to serve you again.

Richard E. Meyers
