Dear R. A. Karchevski:

This will verify your reception of Station WRCV on 11/14/62

WRCV operates on a frequency of 1060 KC, with a power of 50,000 watts. Our antenna is directional, with two towers, each 465' high. We broadcast around-the-clock, starting 5:00 AM Tuesday mornings, through 1:15 AM the following Monday morning. On Mondays, broadcast time starts at 5:00 AM and ends at 1:15 AM Tuesday mornings.

Your interest in our station is appreciated and we shall be glad to receive any additional reports on reception you would care to submit.

Very truly yours,

John J. Michaels
Radio Station Engineer
