Re:

Dear sir;

I want to thank you for your report confirming the reception of your letter. The log presented is completely exact. I am glad to see that some nights you can hear us. My station power is only one kilowatt we are located 200 miles of Montreal North West direction population here is fifteen thousand peoples.

Again thanks to you and your club it has been a great pleasure for me

I remain truly yours

Jean-Paul Mathon c.i.
