Dear Sir:

Sorry for having taken so long time answering your letter, but you can easily imagine the amount of work there is to do in a new radio station.

We were most interested to hear that our station could be heard from such distance. After checking up your report, we can tell you that your reception of our station was correct.

We enclose a coverage map of our station, as requested.

Hoping this will give you satisfaction, We beg to remain,

Yours truly,

A handwritten signature in blue ink that reads "Genevieve Reichen".
