Boston 16, Mass.

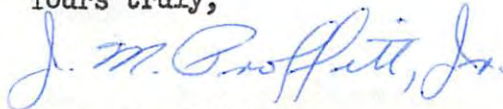

Dear Mr. Karchevski:

Thank you very much for your letter of November 26th, 1961, concerning the reception of WRNL on 910 kc from 3:23 EST to 3:39 EST. This letter is to let you know the reception report is correct and that we were using our 5 kw RCA transmitter with a ~~non~~-directional antenna.

I trust you will listen to WRNL in the future and if you are ever in Richmond, stop by to see us.

Sorry for the delay in replying you.

Yours truly,

J. M. Proffitt Jr.  
Assistant Chief Engineer.
