Dear Mr. Karchevski:

Received your letter reporting the reception of Radio KTW on 29th and 30th of March from 11:18 P.m. to 1:02 am Pacific Standard Time.

We are always interested in hearing from those who receive our station from such a distance. Late at night our coverage is tremendous and goes down into parts of California--up into Alaska, etc.

Please find enclosed copies of our day time and night time coverage maps.

Thank you for taking time to write to us.

Yours truly,

KTW AM & FM
