Dear Mr. Leland:

Please pardon our delay in answering your letter of March 12. Due to the large amount of "fan mail", especially requests for verification, we receive, we have been unable to answer your letter sooner.

We are happy to verify your reception of KDB on March 12, 1932, heard between 2:50 and 3:00 a.m., EST.

We very seldom broadcast DX programs. We did, however, broadcast a program of this nature on March 27, for the Newark, N. J. DX Club. We have no definite time set for another DX program in the near future. When we do have one, however, we will be glad to let you know.

KDB is affiliated with both the Columbia and the Don Lee Broadcasting Systems, releasing their programs 15 hours out of 16 hours each day on the air.

Thanking you for your interest, we are

Yours very truly,
