DR. CHARLES HOUDE, MANAGING DIRECTOR

NEW CARLISLE, QUE.

BONAVENTURE COUNTY

January 22nd 1937.

Mr Stewart Leland,
Box 4112 Duke Station,
Durham,
North Caroline.

Dear Sir:-

Your letter of January 2nd apparently mis-
laid, has just been received.

The Pipe Organ Music, which you heard through
our Station at 5.15 p. m. on January first, was electrically
transcribed and played by Sydney Torch, Organist.

These transcriptions are made especially for
broadcast purposes and I regret to tell you that they can
not be purchases at retail music stores.

Yours truly,

DR CHARLES HOUDE,
Managing-Director.
