Dear Sir:

We wish to acknowledge your letter and verify your report of our program of November 14. We are always pleased to receive letters of comment from our radio audience.

We do not have a schedule card that we might enclose but our hours are from six to nine a.m. and from four until five-forty-five p.m. We are also on the air some evenings from seven until nine. Our midnight programs are given each Thursday and Friday nights from midnight until the wee hours of the morning.

Hoping that we may have you with us again soon we are,

Very truly yours,

RADIO STATION KFRU
