Dear Listener:

This is to acknowledge receipt of your recent communication and to advise you that you have identified one of the programs of WGAR.

This station is now permanently operating from 7:00 AM to 1:00 AM continuously, on a frequency of 1450 kilocycles.

We are pleased to have been advised of your reception and hope that you will be able to tune us in often.

We do not have Ekko stamps and can only acknowledge your letter in this way. If you have any other specific questions, please address them to me personally and I shall be glad to reply with a more personal letter than this can be, since we are having to address the thousands of listeners who heard us, with a form letter.

Yours very truly,

THE WGAR BROADCASTING COMPANY
