

Dear Sir:-

This letter will verify your reception of Station W P E N, Philadelphia, Pa., on the date and at the hour you mention.

This station operates on 1500 kilocycles. The power is 250 watts until local sundown when it becomes 100 watts.

EKKO stamps are available at 10¢ if you prefer that form of verification.

Very truly yours,

*W. Russell*  
WM. PENN BROADCASTING CO.
