

Memorandum

From . . . PETER P. BARBER
Station Manager

W F I X Radio -- 1450 KHz

3/23/76

ROLLAND.....

I WAS PLEASED TO GET YOUR NOTICE OF RECEPTION OF WFIX ON MARCH 17, 1976 AT 2:07AM. AS YOU PROBABLY GATHERED, THIS WAS OUR MONTHLY FREQUENCY CHECK. WE WERE TRANSMITTING AT FULL POWER(1KW) FOR THE TEST.

THE ATMOSPHERIC CONDITIOND MUST HAVE BEEN JUST RIGHT BECAUSE WE'VE GOTTEN SEVERAL LETTERS LIKE YOURS FROM THE MID-WEST.

FOR THE RECORD, WHAT YOU HEARD WAS WHAT WE HAD ON THE AIR AT THAT TIME.

BEST OF LUCK TO YOU.

SINCERELY;
