Dear Rolland

Very glad to acknowledge your reception report of KLCN Radio. Klcn at the time of your reception was operating at 500 watts which is our pre-sunrise service authority. High power was at 7:15 AM. Our tower is a 400 foot straight stick.

So again ~~Roll~~ Roland happy to acknowledge your reception report of January 18, 1976 at 6:30 AM. Best Dx.
