Dear Rolland,

This will confirm your reception of KINO, 1230 kcs,  
Winslow, Arizona January 9, 1979 from 12:05 a.m. to  
12:15 a.m. M.S.T.  
KINO is 1000 watts daytime and 250 watts nighttime.  
We have been here two years this month having purchased  
the station in January 1977. We were born and raised  
and spent all of our lives previously in Kansas. Attended  
school at Clay Center, Kansas. We had worked at KSAL  
a 5000 watt station in Salina, Kansas in the late 1960's.  
After a brief time out of the business we had spent the  
last seven years in Abilene, Kansas.  
Hope the weather eases soon for you folks. All best  
wishes.

Sincerely,

  
Loy Engelhardt
