Dear Rolland:

Thank you for your Reception Report, which we received this morning. Your details agree with ours, and we can confirm that you were, indeed, listening to our 1260 CFRN Radio Station.

The fact that you got good reception of our station this time, is not surprising, because we receive Reception Reports from all over Europe - Sweden, Finland, etc., and some from the North Pole. It seems, that they get a fairly good reception, even at such a distance.

We are enclosing a postcard of our station, a bumper-sticker and a coverage map for your information.

Best wishes for the coming holiday season!!

Regards
1260 CFRN
