

CFOR 1570

March 22, 1978

Mr. Rolland L. Lindblade
1017 N. 90th Street #2
Omaha, Nebraska 68114
U. S. A.

Dear Rolland:

This letter will serve as verification that you were successful in receiving CFOR's signal on March 14, 1978 from 12:47 to 1:06 AM -- EST on 1570 Kilohertz.

CFOR has a daytime power of 10,000 Watts and at night we operate on a power of 1,000 Watts.

We enclose a CFOR sticker herewith, and we thank you for tuning in.

Yours truly,
RADIO STATION CFOR

Brian Hooper
Chief Engineer
