Dear Mr. Lindblade:

Thank you for your reception report of 12/6/76.  
I am pleased to confirm your report as you logged it from  
2:03 - 2:31 am EST.

C.J.B.K. Radio London broadcasts 24 hours a day at  
a power of 10KW from a 9 tower array located 19 miles  
south of the City of London.

Trusting you will again pick up our signal.

Yours sincerely,

Jeff Guy,  
Chief Engineer.
