JAN 26th/77

Dear Mr Lindblade,

First of all thank you so much for your letter of January 12/77, we are always pleased to get letters from far and away places.

I notice your reception report on 10 January 1977

at 5:43am says - "CKNR FIRST NOTED WITH MODERN COUNTRY MUSIC" - CKNR radio is in

Blind River Ontario, which is about 70 miles south of its mother station CKNR Elliot Lake.

Broadcasting starts at 5:30am on CKNR and

carried over our 1,000 TX in Elliot Lake - and

re-broadcast over the 250 TX at 6:30pm to sign off.

on CKNR, we also broadcast ^{over} CKNS Espanola Ontario

over its 10,000 TX. after 1pm, to sign off.

Once again thank you for your letter and unfortunately we do not have bumper stickers at this station or coverage maps.

Thank you for your excellent logging and verification is correct.

Sincerely

Tony Pearce
