**The
Canadian
Broadcasting
Corporation**

is pleased to verify your reception
on February 28 1975
of its transmissions from
Station CBK
Frequency 540 Khz
Power 50,000 Watts
This station is on the
CBC English Network
Per Denise Martin
Date March 11, 1975

Hi,
We are enclosing a QSL card
confirming your reception of our
station. We are also enclosing
a coverage map, hoping that it
will be both useful and interestin
ting.

Incidentally, we are presently
installing a new transmitter to
replace the one we have now which
has served us for 36 years.
Perhaps the efficiency of the
new transmitter will enable you
to pick us up again sometime.

Denise
