Mr. Rolland L. Lindblade,
1017 N. 90th St., #2,
Omaha, Nebraska 68114

Dear Rolland:

I am happy to confirm your reception of our Proof of Performance signals on 27 November 1976. We had so many letters that I am late in getting them answered. Thank you for your interest in radio and in reporting this composite report on our activities. It is the only way we know of how well we are telling the world.

Very truly yours,

Ralph E. Gaskins, C. E.
