OMAHA, NEB 68104

DECEMBER 26, 1979

GREETINGS ROLLAND,

THIS LETTER IS TO CONFIRM YOU DID INDEED MONITER OUR RADIO STATION FROM YOUR POINT IN OMAHA ON DEC 10, 1979 AT 4:28-4:30PM.

AS YOU CAN SEE FROM OUR ENCLOSED COVERAGE MAP, THE DIRECTION OF OUR PATTERN HARDLY PROJECTS IN A WESTERLY DIRECTION, SO YOU MUST HAVE PICKED US UP ON A VERY CLOUDY DAY. WE HAVE RECEIVED RECEPTION CARDS FROM NEW YORK, MICHIGAN, KENTUCKY, ARKANSAS, BUT I BELIEVE YOUR LETTER IS THE FARTHEST WEST WE HAVE EVER RECEIVED ONE.

I HAVE WORKED AT A COUPLE OF NEBRASKA STATIONS. I AM SURE YOU HAVE MONITERED KMMJ, 750 IN GRAND ISLAND...BUT HOW ABOUT KNLV, 1060 IN ORD?

WELL, GOOD LUCK WITH YOUR HOBBY & SEASON GREETINGS!

SINCERELY,

LARRY BREWER
